

The image shows a modern, circular waiting area for a dermatology clinic. The room features a curved ceiling with recessed lighting and a central wall with a glowing circular logo and the word "DELIGHT". A large, light-colored sofa is on the left, and a round black coffee table is in the center. To the right, there are two white ottomans and a small black side table. A glass-walled office is visible in the background on the right. The overall design is clean and contemporary with warm lighting.

DELIGHT DERMATOLOGY CLINIC
